

كأس الخليج العربي ٢٤
24th Arabian Gulf Cup
قطر ٢٠١٩ 2019

It's always great when the time and dedication we put into our work receive positive feedback from others.

I was pleasantly surprised to see the quality of Dallah's branding design for **Arabian Gulf Cup**. In my opinion, your work *successfully fused the traditional sense of identity with modern-day vibrancy and dynamism*. I think the design concept was spot on and also had a wide range of variety with the pattern that you created within the brand elements. **One of the best I have worked with in recent times.**
